## Mount Holly Made

We are proud to be from and serve the Mount Holly and Gaston County communities. At Firehawk we slow cook our meat the traditional Carolina way—over ember smoke using the finest oak and hickory wood. Our recipes have been passed down through grandmas, paw paws, and church ladies and used at many backyard cookouts, church potlucks, and family get-togethers for as long as we can remember. If you are planning a gathering, whether it be for work, family, or friends, consider Firehawk.
